

Hi! Happy Thanksgiving! My name is **Nathan Laframboise** from COD.

By the one side grace of our Lord Jesus Christ, I was chosen to share my 10 thanks topics with you as a representative from DuPage UBF.

First, I am very thankful to God who is Holy. Jesus Christ who took our sins unto himself and made us as pure as the driven snow. Thank you, Jesus, our Savior who gave His life so that we may call God our Friend.

Second, I am very thankful for God's word. Even though we cannot physically see Him we are given the opportunity to know Him as his apostles did.

Third, I am very thankful to God for the Christians who came before us who lay the ground work for God's continued kingdom here on earth.

Fourth, I am very thankful to God who grants us the opportunity to make the United States a Kingdom of Priests and a Holy Nation, especially through UBF.

Fifth, I am very thankful to God for our families so that we are never lonely during the holidays.

Sixth, I am very thankful to God for our friends so that we always have a person to share our mutual faith with, especially like today together with NIU, Triton, DuPage ministires.

Seventh, I am very thankful to God for our Jobs that provide us with the means to carry out God's will.

Eighth, I am very thankful to God for the strength God gives us to overcome all obstacles in the midst of unimaginable odds.

Ninth, I am very thankful to God who sent Joy Kim as my Bible teacher and who blessed me to meet UBF friends in Jesus. I am very thankful to God who blessed me to listen to David Kim's Sunday message and to share my testimony at the Friday meeting.

Tenth, I am very thankful to God for the grace God endows us so that we can spread his word to all peoples through the world.

One Word: "May the Name of the Lord be Praised" (Job 1:1-2:10)
